Caregivers in Action

Greeting

Opening Prayer (together)

Move before us, O God, as we worship and seek your blessings in this hour

Be to us a light in our darkness to lead the way

Be as a cloud to protect us from all that would distract us from your truth

Keep us moving toward the goals you intend and the mission on which you send us

Teach us again to pray with Christ, that we may have the courage to follow without losing heart

Strengthen our faith as we prepare for life in a world that forgets or ignores you, and invites us to do the same. Amen.

We would dedicate as well
