

Friendship United Church  
Sunday, October 18<sup>th</sup>, 2009

On this day the congregation watched the video “We Are All Connected” instead of having a traditional sermon.

The Canadian Foodgrains Bank, A Christian Response to Hunger has this to say about the video on their website ( <http://www.foodgrainsbank.ca/> ):

“We are All Connected” follows musician Steve Bell and his wife Nanci on a recent trip to India and Bangladesh. The film helps viewers gain a deeper understanding of hunger and shows some of the work being done by the Canadian Foodgrains Bank through their member agencies and partners in the region.
